

Co-curricular specialization selection - Session 2021-22 Grades I to VIII

With the motto of creating 'Leaders for Life', we, at KPS, endeavour towards the overall development of our students' personality. With this view, we conduct various co-curricular classes which inculcate social and intellectual skills, moral values and character appeal. The co-curricular classes will be held as per the following plan, and the links to the form you are required to fill to select the activities for your child:

Co-curricular Activity	I. Sports	II. Visual Arts	III. Performing Arts
Learning Outcomes	Sports and games foster sportsmanship, leadership and team spirit. They boost discipline, self-confidence and contribute to the all-round development of the child.	Visual Arts education not only focuses on the tool-sharpening process to train hand and eye coordination but it sharpens the brain, develops a creative, fulfilled, and balanced personality. It also helps to develop integrated intelligence.	Performing arts includes dance, drama and music, wherein the students develop the skill of expression, balance, coordination and a sense of belongingness.
